Section 10. **Additional Information Required by Section 3.009 of the Election Code.**

(a) As of July 1, 2015, the first day of the District's current fiscal year, the aggregate principal amount outstanding of unlimited-tax supported debt of the District was \$414,619,988 and the aggregate amount of outstanding interest on such unlimited-tax supported debt was \$201,612,339. The District's ad valorem debt service tax rate allocable to unlimited-tax supported debt for the current fiscal year is \$0.3000 per \$100 of assessed valuation of taxable property in the District.

(b) As of July 1, 2015, the first day of the District's current fiscal year, the aggregate principal amount of outstanding maintenance and operations tax-supported debt was \$0 and the aggregate outstanding interest on such maintenance and operations tax-supported debt was \$0. The District's maintenance and operations tax rate for the current fiscal year is \$1.04005 per \$100 of assessed valuation of taxable property in the District.

(c) The District intends to issue the bonds authorized by the Proposition over a period of years in a manner and in accordance with a schedule to be determined by the Board based upon a number of factors, including, but not limited to, the then current needs of the District, demographic changes, prevailing market conditions, assessed valuations in the District and management of the District's short-term and long-term interest rate exposure. Market conditions, demographics and assessed valuations vary based upon a number of factors beyond the District's control, and therefore, the District cannot and does not guarantee a particular interest rate or tax rate associated with the unlimited-tax bonds authorized by the Proposition. As such, the information contained in this paragraph is provided solely for illustrative purposes and does not establish any limitations or restrictions or create a contract with the voters. The District currently estimates that, if the Proposition were approved and the bonds proposed herein were authorized and issued in accordance with the District's currently projected plan of finance, the District's ad valorem debt service tax rate would increase incrementally by approximately \$.08 per \$100 of assessed valuation of taxable property in the District.

(d) Any additional information required by Section 3.009 of the Code is contained in Sections 2 and 3 of this Order.

Section 11. **Necessary Actions.** The President of the Board, the Superintendent of the District, or his designee, acting on behalf of the Board, in consultation with the District's attorney and bond counsel, is hereby authorized and directed to take any and all actions necessary to comply with the provisions of the Code and the Federal Voting Rights Act in carrying out and conducting the Election, whether or not expressly authorized herein, including

making changes or additions to polling places or procedures to the extent required or desirable or as may become necessary due to circumstances arising after the date of this Order.

Section 12. **Severability**. If any provision, section, subsection, sentence, clause or phrase of this Order, or the application of same to any person or set of circumstances is for any reason held to be unconstitutional, void, invalid, or unenforceable, neither the remaining portions of this Order nor their application to other persons or sets of circumstances shall be affected thereby, it being the intent of the Board in adopting this Order that no portion hereof or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness, invalidity or unenforceability of any other portion hereof, and all provisions of this Order are declared to be severable for that purpose.

Section 13. **Effective Date**. This Order shall take effect immediately upon its approval.
