Cheerleader Guidelines

High School

2012-2013

Richardson Independent School District
Cheerleading is a stand-alone extra-curricular activity. These guidelines apply to members of all RISD high school cheerleading squads, grades 9 – 12, including varsity mascots. The guidelines provide a necessary framework to aid in developing a successful cheerleading squad and provide information about expectations for membership on the cheerleading squad.

**PHILOSOPHY**

The primary purpose of cheerleading is to create enthusiasm and support for the district’s extra-curricular activities and to serve as leaders and positive role models among students. The goal of instructional and performance activities is to enhance each individual member’s skills and development, resulting in a highly skilled performance group. Each team member must be aware of the time commitment and individual dedication required to achieve personal improvement and effective teamwork through responsibility and discipline. Cheerleaders must demonstrate good citizenship, high moral standards, and good decision making and judgment at all times.

RISD is committed to equal educational opportunity in all programs and activities. No student will be discriminated against on the basis of the student’s race, gender, national origin, religion, or disability status.

**ELIGIBILITY - TRYOUTS**

A student who desires to try out for the cheerleading squad must meet all of the eligibility criteria and other requirements set out below including:

- Residence and Enrollment
- Academic Grades and Course Credits
- Individual and Civic Responsibility
- Parent Permission and Medical Release
- Orientation Meetings

**Residence and Enrollment**

**Residence**

All students who desire to try out for cheerleader must provide proof of residence within the RISD attendance boundaries.

**Enrollment**

Grades 9 – 12 To be eligible for tryouts, a cheerleader candidate must be enrolled and in attendance at least 15 calendars prior to the tryout.

**Entering 9th Grade Students**

An entering ninth grade student who is not enrolled in RISD must complete RISD enrollment forms and confirm intent to enroll in the District. Students may tryout only for the cheer squad at the high school in whose feeder pattern they reside. Students of nonresident employees who intend to enroll in RISD must designate the high school at which they intend to enroll and may try out for the cheer squad at only one school.

**Academic**

Students must have passed all subjects* with a minimum grade of 70 the six-week grading period preceding tryouts to participate in any of the out-of-school workshops. Students who failed one or more courses in the preceding six-week grading period may only participate in the actual tryout before the judges and may not participate in any out of school workshops and may not receive any outside practice help from the senior varsity cheerleaders or the sponsor.

*EXCEPTION: Students who receive a grade below 70 in a course that RISD has designated as exempt from the No-Pass, No-Play Rule (including Pre-AP or AP courses) are not ineligible for tryouts on the basis of academics.

**Individual & Civic Responsibility**

A student’s Individual and Civic Responsibility grades will be averaged for the current school year. A student must have earned an average grade of at least 90 to be eligible for tryouts from all previous six-weeks for the current school year will be averaged together. The following scale will be used to average these grades: A = 95; B = 85; C = 75; F = 65
Course Credits

**Varsity** A candidate for the Varsity Cheerleader squad must have earned the designated number of credits towards graduation in state-approved courses to graduate at the expected time for the student’s grade level: 11th grade - at least 10.0 credits; 12th grade - at least 15.0 credits

**Junior Varsity** A candidate for the Junior Varsity Cheerleader squad must have earned the designated number of credits toward graduation in state-approved courses to graduate at the expected time for the student’s grade level: 10th grade - at least 5.0 credits.

A candidate who makes the squad, but fails to earn the required number of credits by the first day of school in the next year will be automatically removed from the squad.

Parental Permission and Medical Release

All candidates must complete and turn in required permission slips, including a medical release form, prior to participation in any tryout activities.

**Tryout Orientation**

All candidates and their parent/guardian must attend scheduled orientation meetings prior to the beginning of the tryout workshops. The parent may designate a responsible adult to attend with the candidate if the parent is unable to attend the meeting and has made prior arrangements with the sponsor. Failure to attend will result in ineligibility for the candidate to try out. All candidates will be advised in writing of requirements, duties, responsibilities, and consequences of rules violations prior to tryouts. All parents and students will have an opportunity to discuss concerns and questions with the sponsor and/or principal prior to the parent and student signing the agreement form indicating understanding and willingness to comply with all applicable rules as a condition of participation.

**TRY OUT PROCESS / INFORMATION**

- A student may participate in the cheerleading / varsity mascot tryout process at only one RISD school per year.
- Workshops and election dates will be scheduled by the school.
- Schools may not schedule more than three days of out-of-school tryout activities, excluding the tryout performance before the judges.
- All candidates must try out in person before the judges.
- Tryout workshops and judging are closed to observers. Cheer sponsors and school administrators may be present.
- Videotaping is not allowed during the tryout workshops.
- Required tryout attire will be determined by each individual school.
- A candidate who has an outstanding balance for cheerleader costs must pay off that balance in full by the first day of cheer workshops to be eligible to tryout.
- A student who is selected for cheerleader and voluntarily quits the squad during the year without good cause (as determined by the sponsor and campus principal) is not eligible to tryout in the next year.

**Judges**

- Three qualified cheerleader judges from recognized associations will score the performance of candidates for high school cheerleader and varsity mascot.
- An effort will be made to secure impartial judges who are not acquainted with any candidate. Individuals who have attended any RISD high school during the four years prior to the school year in which tryouts take place may not be used as judges.
- Immediately after scoring, the judges’ score sheets will be turned over to a school administrator who will maintain the scores as required under the district’s document retention schedule.
If unusually large discrepancies exist between one judge’s scores and the other two judges’ scores, the administrator monitoring the tryouts may request a callback to re-score the candidates.

The judges will not view and evaluate a previously taped performance of an injured candidate; all candidates will be evaluated based on their performance in front of the judges on the specified day.

**Scoring**

Candidates will be judged on a five-point scale based on the following categories:
- Appearance
- Spirit and Enthusiasm
- Motion Technique
- Voice and Projection
- Jumps
- Dance (10th-12th grades only)
- Tumbling

The administrator will total the judges’ scores and rank the cheerleader candidates from the highest total to the lowest.

The top fifteen (15) scores for each respective grade will determine the freshman, junior varsity, and varsity cheerleaders.

If two or more candidates for cheerleader have the same judge’s score for the last available position, a tiebreak procedure will be followed. Callbacks will continue until the tie is resolved.

A candidate’s scores and score sheets will be made available to the candidate’s parent or legal guardian upon request the week following the tryout announcements.

**Head Cheerleaders/Captain Selection**

Head cheerleaders will be determined by each individual school.

**Magnet Students**

A student accepted into the magnet at Richardson High School who completes the tryout procedure and makes the RHS squad must commit to attending Richardson High School. A student who fails to commit or decides to return to his/her home school will forfeit his or her spot on the RHS squad and may not participate in cheerleading at the home school for the remainder of the school year.

**Vacancies**

Any cheerleader team vacancies that occur after the first day of school will not be filled.

**Appointment Period**

A cheerleader or varsity mascot who is selected during tryouts will serve from the date of selection to the end of the following school year.

**SAFETY & CONDITIONING**

All team members must complete and pass an annual physical examination and the record must be on file with the cheerleader sponsor before the cheerleader can participate in any cheerleading activities.

Safe practices and adequate conditioning are of paramount importance for each cheerleading squad, and are vital to efficient athletic performance. Warming up with stretching and flexibility exercises is required for cheerleading and important in reducing injuries. No student will knowingly be subjected to any unsafe situation.

**Strength & Conditioning Program**

Each school will develop a strength and conditioning program designed to enhance performance and minimize injuries. All cheerleaders will be required to participate in these activities. The plan will include the following:

- Running (reasonable distance)
- Sit-ups / Pushups
- Strength Training
- Stretching and Flexibility

Students also will receive information about healthy nutritional practices.

RISD HIGH SCHOOL CHEERLEADER GUIDELINES

MAINTAINING ELIGIBILITY

Credits
At the beginning of the school year, cheerleaders must have earned the designated number of credits in state-approved courses towards graduation at the scheduled time: 10th grade – at least 5.0 credits; 11th grade – at least 10.0 credits; 12th grade – at least 15.0 credits. Failure to meet the required number of credits will result in automatic dismissal from the squad.

Grades
Cheerleaders must maintain a minimum grade average of 70 in all classes. Failure to do so will result in a three-week probation period.*

*EXCEPTION: Students who receive a grade below 70 in a course that RISD has designated as exempt from the No-Pass, No-Play Rule (including Pre-AP or AP courses) are not ineligible to participate on the basis of academics.

Individual & Civic Responsibility
All students must maintain an Individual and Civic Responsibility grade average of 90 for the previous six-week grading period. Individual and Civic Responsibility grades in all courses will be averaged together (A = 95; B = 85; C = 75; F = 65).

A member who fails to meet the criteria listed above will be subject to the consequences stated under the “Probation”/“Conduct and Probationary Procedures” section.

Continuous Membership
Each cheerleading team member is assured of a position only if he/she maintains continuous RISD enrollment during the school year involved. In the event that enrollment has not been continuous, reinstatement and conditions of reinstatement are at the discretion of the sponsor and principal.

Conduct & Probationary Procedures
Participation in cheerleading is a privilege. Certain standards are necessary to maintain the integrity and reputation of any organization. Cheerleading is a stand-alone extra-curricular activity. The cheerleader guidelines are unique to squad members. Cheerleaders represent the school and the district at all times. Each member must conduct him or herself in an exemplary manner at all times, whether during school, at a performance, or during leisure and social activities. The behavior, character, and personal appearance of each member should set a positive example for others at all times.

Cheerleaders must not smoke, drink alcohol, use any kind of illegal drug or other illegal substance, or engage in any unlawful or prohibited activity. Please refer to the RISD District-Wide Guidelines for Extracurricular Students: Alcohol & Illegal Drugs for a detailed description of the consequences for alcohol & illegal drug activities.

Violations of the RISD Student Code of Conduct resulting in an assignment to in-school-suspension (ISS) will result in a probationary period. Violations of the RISD Student Code of Conduct (categories II or III) resulting in a Disciplinary Alternative Education Program placement (Christa McAuliffe Learning Center) or expulsion will result in probation.

Probation
In addition to the other events set out herein that may result in a probationary period, squad members are subject to a three-week probationary period for the following:

- Receiving ISS/OSS for misconduct at school, (local school policy guidelines for students)
- Engaging in harassment or hazing (corroboration required)
- Using Foul or Offensive Language (profanities)
- Deliberately exposing one’s private anatomy to public view either directly or via technology device
- Participating in an incident of cheating or other academic dishonesty
- Posting or uploading inappropriate pictures on the internet
- Skipping one or more class periods during the day

Revised February 2012
Before a squad member will be placed on probation or removed from the team, he or she will be notified in writing of the reasons for the action. A conference with the principal and sponsor will be offered to the parent and the student. The student will be given the opportunity to present his or her version of the events. A student or parent not satisfied with the outcome of the conference may contact the Director of Student Services.

Removal

Squad members will be immediately removed from the squad for the following:

- Any arrest for illegal activity on or off school property.
- Observation or discovery by faculty or staff engaging in sexual acts on or off school property.

Academic Probation

A squad member whose recorded six-weeks grade average is below 70 in any course,* subject to the No Pass – No Play rules, shall be given a seven-day grace period before being placed on probation (see example below). If the member’s average is elevated to 70 or above during the grace period, he/she will not be placed on probation.

The grade average of a student who receives academic probation shall be reviewed two weeks following the date on which the probation began (the third week of the six weeks). If the student has an average of 90 or above in Individual and Civic Responsibility on the last class day of the third week of the six-weeks school period, the student may be reinstated effective at the end of the regular school day, seven calendar days later. Refer to the UIL / RISD Eligibility Calendar.

*EXCEPTION: Students who receive a grade below 70 in a course that RISD has designated as exempt from the No-Pass, No-Play Rule (including Pre-AP or AP courses) are not ineligible to participate on the basis of academics.
eligibility purposes, thus causing the student to lose eligibility for the next six-week period.

Dropping an advanced course, that is exempt from the No-Pass, No-Play Rule does not cause loss of eligibility unless full-time enrollment status is affected. RISD policy requires secondary students to carry five state and local credit-bearing courses to maintain full-time status.

Disciplinary Violations

A squad member will be placed on probation for violations of school and/or cheerleading constitution policies and procedures.

Conditions of Disciplinary Probation include:

The squad member:
- will not be allowed to participate in any cheerleading performance during the probationary period.
- is required to attend the performance and must sit with the sponsor until the cheerleading team is released.
- will not be allowed to wear the uniform to school the day of the game or to an activity.
- must attend practice as scheduled.

Removal

- A squad member who receives a second failing grade in any subsequent six-week period will be removed from the team.
- A squad member will be removed from the team upon receiving a second probation.
- Squad members who are removed from the team may try out the following year if they meet all eligibility requirements.

Optional Expenditures

Expenses for trips, competitions, pictures, summer camp, and social events are considered optional, as students are not required to participate.

FUNDRAISING

Cheerleader organizations and/or their parents’ booster groups may conduct fundraising events consistent with the RISD policies and guidelines. Funds may be used to pay for a recognition banquet for members, and to assist cheerleaders and/or the team to purchase additional items necessary for special events. Policy References: FJ (Local) and GKB (Legal) RE: Fund-raising Activities.

AWARDS, GIFTS & TREATS

- Cheerleader awards shall not exceed $10 in value per year.
- If a student chooses to give gifts to other students or district employees, those gifts should only be an expression of appreciation, rather than a gift of significant monetary value. Expenditures by each student for gifts shall not exceed a total of $25 per year (all gifts).
- Personal expenditures by students and parents for treats for athletes will not be allowed.

UNIFORMS

- Squad members must wear uniforms as designated by the sponsor.
- The following items will be provided by the school district each year: two basic uniforms, other miscellaneous supplies, and equipment.
- Personal items such as socks, tights, shoes and workout clothes will not be provided. The mascot will receive a mascot uniform. All items issued by the school district must be returned in good condition with normal wear and tear expected.

FINANCIAL COMMITMENT

All anticipated expenditures for cheerleading will be discussed at the student/parent orientation meetings prior to tryouts.

Required Expenditures Required expenditures for cheerleading shall not exceed $600 per cheerleading school year.
RISD HIGH SCHOOL CHEERLEADER GUIDELINES

- A record will be kept of all uniforms and equipment issued to squad members. The squad member will be assessed the replacement cost of items not returned, items with excessive abuse, and/or items that might be unusable or destroyed due to improper use.

- The school district will not provide uniforms for 9th grade squad members.

RISD expects that all students, including students who participate in any Extracurricular Activities (Extracurricular Students) will conduct themselves at all times in an exemplary manner that brings honor to the District, their school, and themselves. Participation in extracurricular activities is a privilege and is conditioned on the student’s compliance with all rules and regulations of the activity and District policies and guidelines, including these guidelines. The use, possession, sale, or furnishing to others of alcohol or drugs of any kind is strictly prohibited (the Prohibition). Any student who violates the Prohibition is not in compliance with the rules of participation and will be subject to disciplinary measures, which could result in removal from the extracurricular activities in which the student participates.

These guidelines and statement of consequences apply to all extracurricular activities sponsored by the Richardson Independent School District and to all Extracurricular Students. The purpose of these guidelines is to deter and eliminate any use, possession, sale, or the furnishing to others of alcohol or other drugs, help students avoid drug and alcohol use, establish consistency in consequences across all activities for students who do not comply with the Prohibition, promote a high quality educational experience in all activities and assist RISD to maintain order and a safe learning environment, and to promote a high level of civic and individual responsibility among students.

Extracurricular students are subject to these guidelines at all times throughout the twelve month calendar year, whether the extracurricular activity is “in season” or inactive and on weekends and during school holidays. Refer also to Board Policy FO (Local). Notwithstanding these guidelines, violations of the RISD Student Code of Conduct (categories II or III) resulting in a Disciplinary Alternative Education Program placement (Christa McAuliffe Learning Center) will result in removal from all extracurricular participation for the remainder of the school year.

To ensure consistency among activities, these guidelines shall be used by all extracurricular groups. However, nothing in these guidelines prohibits an extracurricular activity sponsor from developing activity guidelines and rules to address topics other than alcohol or illegal drug activities.

The following definitions will apply to these guidelines:

- Leadership Position- a position or office an Extracurricular Student holds in an organization or group either by election or appointment. Such positions may include without limitation: captain, officer, squad leader, drum major, section chair.
- Parent- A student’s biological or adoptive parent or parents, legal guardian, or other person in lawful control of the student.
- Prescription Drugs- A drug authorized by a licensed physician specifically for that student. A student who uses a prescription drug in a manner prescribed by the student’s physician and who has followed school policies in such use shall not be considered to have violated this policy.
- Possession- To have an item in or on one's personal being or property, including without limitation, clothing, purse, backpack, private vehicle used for transportation to or from school or school-related events, or other property used by the student such as a desk, locker, or cubby-hole.
- Use (Substance) - Voluntarily introducing into one’s body, by any means, a prohibited substance, recently enough that it is detectable by observation of the students physical appearance, actions, breath, speech, or by substance testing.
RISD HIGH SCHOOL CHEERLEADER GUIDELINES

- Extracurricular Activities - School sponsored activities including but not limited to Dance & Drill Teams, Bell Guards, Cheerleaders, Spirit Groups, Sports, Fine Arts, Clubs, UIL governed Activities, Mock Trial, AC DEC, and other school sponsored student activities unique to a campus.

An Extracurricular Student violates the Prohibition if he or she:
- Receives an MIP (Minor in Possession), MIC (Consumption of Alcohol by a Minor), DWI (Driving While Intoxicated), DUI (Driving Under the Influence of an Illegal Substance), or other citation for the illegal use or possession of alcohol/drugs, or furnishing alcohol/drugs to another in a non-school setting;
- Is observed by a faculty or staff member using, possessing, or furnishing to another student any drugs, including alcohol, on or off school property (observation via internet site, video, still picture, or other media will be considered);
- Receives any citation for or is arrested for illegal alcohol/drug activity or substance on or off school property;
- Performs or participates in an extracurricular activity while under the influence of alcohol or other drugs.

An Extracurricular Student who receives an MIP, MIC, DUI, DWI, or other alcohol/drug citation shall promptly notify the activity sponsor. An Extracurricular Student who fails to do so may be subject to further disciplinary action once the activity sponsor or administrator learns of the offense. The consequences for violation of the Prohibition apply regardless of the disposition of any citation the student may receive.

Process: When an activity sponsor or campus administrator learns that an Extracurricular Student has violated the Prohibition, the sponsor or administrator will attempt to gather as much information as is available about the suspected violation and shall immediately communicate with the student and his/her parent to review the information. The sponsor or administrator will take reasonable steps to ensure the student and his/her parents are notified of the suspected violation of the Prohibition and to offer the student and his/her parent a meeting with the administrator and/or sponsor and give them an opportunity to provide information about the student’s suspected actions. Parents and/or students who refuse to promptly meet with the sponsor or administrator forfeit their opportunity for a conference. The administrator or sponsor will notify the student and his/her parent in writing of the reasons for any consequences imposed.

A student or parent who is not satisfied with the outcome of the conference or the principal’s decision may appeal the decision through the District’s Student and Parent Complaint Policy (FNG (Local), but the consequence will not be delayed during any appeal. Copies of the policy are available on the District’s website or may be obtained from the school.

PROBATION: Last Chance Opportunity
All Extracurricular Students are expected to comply with these guidelines. An Extracurricular Student who does not do so is subject to disciplinary action. While some offenses may be so severe that they will result in immediate removal from the extracurricular activity, where appropriate, the District will consider allowing a student who violates the Prohibition to serve a last chance probationary period if the violation of the Prohibition is the first instance of the student’s failure to comply with these guidelines.

Probation: A student’s first violation of the Prohibition will result in the Extracurricular Student’s (i) removal for the remainder of the school year from all leadership positions he or she holds, including any such positions that the student might seek or be appointed to later in the school year; and (ii) removal from all...
extracurricular activities for 20 school days or UIL Competition dates. (See below*)

- The 20 school days or UIL Competition dates removal period start at the parent/student/parent conference. If the parent/student forfeits the conference, the principal will determine the start date;
- During the 20-day removal period, the student and the parent must attend and successfully complete the RISD alcohol/drug educational program. Students may be required to have follow-up sessions with the Intervention Specialist on campus. The student is responsible for all fees associated with the program. A student/parent must complete the educational program before the student will be reinstated after the removal period.
- Students may participate in practices for the extracurricular activities while on probation.
- *If an activity schedules competition or performance during the summer or on a school holiday (excluding weekends), any days on which the student’s team or group actually competes or performs will be counted toward completion of the 20-day probation period.
- “UIL Competition Date” means a day on which the individual or group actually competes or performs in a UIL or Non-UIL sponsored activity when the school is represented.

An Extracurricular Student is eligible to participate in extracurricular activities and to pursue future leadership positions after the second offense, if:

Second Offense or Subsequent Offenses
A second offense or subsequent offenses will result in removal from all extracurricular activities for the remainder of the school year. Students will also be removed from all leadership positions for the remainder of the school year.
