### What is PACE?

PACE is Richardson ISD's after school program that engages students in a variety of quality academic and enrichment activities until 6:00 p.m. each day. PACE stands for Physical activity, Academic assistance, Character education, and Enrichment. It is offered at most RISD elementary schools. Check with your child's school to see if PACE is offered at your campus.

### What age students does PACE serve?

PACE serves students from Kindergarten until the student has completed 6th grade.

### When does the program begin?

The PACE After School Program begins on the first day of school and operates on the same calendar as the district.

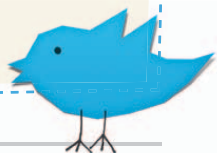

### Does my child have to enroll for all 5 days each week?

A child may enroll for less than 5 days in a fee-based school if the parent indicates the specific days the child will attend at the time of registration. The child may only attend on the days specified. For campuses that have the 21st Century Grant, it is a requirement for the student to attend all five days.

For more information please  
contact the PACE office at:

469-593-7536 or [pace@risd.org](mailto:pace@risd.org)

or visit PACE online at:

### Are drop-ins allowed?

No. Unfortunately, PACE cannot allow unscheduled drop-ins. A child may attend PACE only on the days indicated on the registration card.

Our mission is to protect, inspire  
and challenge students through  
quality after school programs.

---

### Where do I register my child?

Registration forms may be turned in at any time to the front office of your child's campus. However, space can fill up, so register early to guarantee a spot for the upcoming school year.

### Who will be supervising my child while he/she is attending PACE?

RISD employs certified teachers and instructional assistants for each program site. RISD staff members undergo a full criminal background screening, which includes fingerprinting, prior to employment.

### Will my child receive a snack in PACE?

Yes, a nutritious snack is provided each day.

### Will children have time to play during the After School Program?

Yes. The program allots time for free play as well as structured games and activities.

---

### How is a typical PACE day conducted?

Time is allocated for enrichment activities, which could include any of the following: homework assistance in all subject areas, TAKS preparation, computer lab and library activities.
