Continuous Improvement Process

- Data Analysis
- Needs Assessment
- Implement & Monitor
- Improvement Plan

Targeted Improvement Plan
Targeted Improvement Plan
Sample from Targeted Improvement Plan

Problem Statement #1: 27% of all students passed the STAAR writing assessment and 56% of all students passed the STAAR reading assessment

Annual Goal #1: 65% of all students will pass the STAAR reading and writing assessments

Quarterly Goal #1: 100% of all teachers will be trained on school-wide literacy initiatives

Specific Action Item: The ELAR Instructional Coaches/Specialists will train all teachers on a common writing rubric (expository) to be used in grades 2-6 to evaluate students’ writing products.
