RISD COUNTRY AND WESTERN PERFORMANCE DANCE TEAMS GUIDELINES

The Country and Western Performance Dance is a stand alone extra-curricular activity. The team guidelines are unique to team members. The guidelines provide a necessary framework to aid in developing a successful dance team.

PHILOSOPHY

The Country and Western Performance Dance Team is comprised of a group of high school students who are chosen through organized, competitive tryouts. The goal of instructional and performance activities is to enhance each individual member's skills and development, resulting in a highly skilled performance group. Emphasis on sound teaching and learning principles is comparable to that of any other instructional setting.

Each team member must be aware of the time commitment and the individual dedication required achieving personal improvement and effective teamwork through responsibility and discipline.

Dance team members will demonstrate good citizenship and moral standards and assume responsibility for developing school spirit. Dance team must be a first priority for team members after academics.

GENERAL INFORMATION

Country and Western Dance Team is a course offered during the school day for which physical education or fine arts credit is granted as stipulated in the Richardson Independent School District's Program of Studies and Course Descriptions.

Each school shall develop a constitution, approved by the principal, to cover procedures specific to that campus that are not specified in the district guidelines. The campus constitutions should not conflict with or contradict any portion of the district guidelines. In the event of a conflict, the district guidelines will be followed. A required annual meeting with campus directors will be arranged by the office of Student Services to ensure the district guidelines are reviewed and updated as needed.

ELIGIBILITY - TRYOUTS

ENROLLMENT

To be eligible for tryouts, a dance team candidate must be enrolled as a student in the Richardson Independent School District. Any student who was not enrolled and actually in attendance at the beginning of the school year at the RISD school where he or she desires to tryout must:

- Otherwise meet the minimum eligibility criteria; and
- If a newly enrolled student, must be enrolled and in attendance in classes in the RISD school fifteen (15) calendar days prior to the tryout.

ACADEMIC REQUIREMENTS

Students must have passed all subjects* with a minimum grade of 70 the preceding six-weeks grading period and have a 90 average in Individual and Civic Responsibility in order to participate in any of the out-of-school workshops. Tryouts for students who have failed one or more courses are limited to one-day participation before the judges.

*EXCEPTION: Students who are enrolled in current year TEA/UIIL Advanced Courses identified for No-Pass, No-Play Exemption, including Pre-AP or AP courses, and make a grade below 70 in any of these classes are exempt from this eligibility ruling (see counselor).

CREDITS

At the beginning of the school year, dance team members must have earned the designated number of credits in state-approved courses towards graduation at the scheduled time: tenth grade – at least 5.0 credits; eleventh grade – at least 10.0 credits; twelfth grade – at least 15.0 credits

PERMISSION SLIPS

All candidates must complete and turn in required permission slips prior to participation in any tryout activities.

ORIENTATION MEETING

All candidates must attend a scheduled orientation meeting accompanied by a parent/guardian prior to the beginning of the tryout workshops. All candidates will be advised in writing of requirements, duties, responsibilities and consequences of rules violations prior to tryouts.

RISD COUNTRY AND WESTERN PERFORMANCE DANCE TEAMS GUIDELINES

All parents and students will have an opportunity to discuss concerns and questions with the director and/or principal prior to the parent and student signing the agreement form indicating understanding and willingness to comply with all applicable rules as a condition of participation.

TRYOUT PROCESS

- Workshops and audition dates will be scheduled by the school.
- Tryouts before the judges will be on one day.
- The number of workshops will be at the director's discretion.
- Eligible candidates must try out in person in front of the judges.
- A student may participate in the dance team tryout process at only one RISD school per year.

CRITERIA FOR JUDGING

Tryouts for team membership will be closed to parents and the public. Cuts will be made until the desired number of members is achieved.

Candidates will be judged in groups not to exceed six, with each candidate being scored independently by each judge.

Callbacks will generally be at the judges' discretion; however, if unusually large discrepancies (as defined by each school's constitution) between one judge's score and the other two judges' scores exist, the administrator monitoring the tryouts shall request a callback.

The categories used in judging may include any or all of the following:

- Technique
- Memory
- Teacher Recommendation
- Showmanship

JUDGES AND SCORING

- Candidates for the Country and Western dance team will be judged by two to four qualified judges.
- An effort will be made to secure impartial judges who are not acquainted with any candidate. Individuals who have attended any RISD high school during the four years prior to

the school year in which tryouts take place may not be used as judges.

- Immediately after scoring, the judges' score sheets will be turned over to a school administrator who will maintain the scores for the remainder of the school year.
- A candidate's scores and score sheets will be made available to the candidate's parent or legal guardian upon request the week following the tryout announcements.
- The list of candidates selected as dance team members will be posted within twenty-four hours of tryouts.

MEMBERSHIP

The RISD District Guidelines do not specify a certain number of members for any school; however, the number will not exceed forty members excluding up to six officers. Ideally, a team should have a minimum of twenty-four members. The principal will determine the final number of members. Selection of officers will be at the sole discretion of the director. To maintain membership in the Country and Western Dance Team, a student must meet the requirements as outlined in these guidelines.

In the event of an illness or an injury the next available student from the try-outs will be brought up at the discretion of the sponsor.

PERPETUATION

It is mandatory for candidates to try-out for two years.

APPOINTMENT PERIOD

A dance team member who is selected during tryouts will serve from the date of selection through the date on which the next team is selected (the "dance team school year").

SAFETY & CONDITIONING STANDARDS

Safe practices and adequate conditioning are of paramount importance for each dance team and are vital to efficient athletic performance. Warming up with stretching and flexibility exercises is required and important to reduce injuries. Students who sustain injuries are encouraged to seek proper

RISD COUNTRY AND WESTERN PERFORMANCE DANCE TEAMS GUIDELINES

medical attention. No student will knowingly be subjected to any unsafe situation.

SUMMER ACTIVITIES

The amount of time spent in summer practice shall not exceed a total of forty-five hours in any one-week period (Monday through Saturday), and no more than six hours in any one-day. There will be no Sunday practices.
- No required summer practices will be allowed for a minimum of six continuous weeks during the summer. During that six-week period, the school, director, coach, or students cannot organize any practice, formal or informal. Each school may designate the six-week period in which practice will not occur.
- The dance team director or a qualified adult designated by the dance team director will supervise all required dance team practices. At no time may dance team members be left unsupervised during a scheduled practice.

PRACTICES

- Fall practice and performance outside the school day may begin three weeks before the first day of school and will end on the last day of the performance season.
- The principal must approve official practice times.
- Members must attend practice sessions as instructed by the director.
- Practice time will be limited to a total of eight hours per school week outside the school day. The school week is defined as beginning at 12:01 a.m. on the first instructional day of the calendar week and ending at the close of instruction on the last instructional day of the calendar week, excluding holidays.
- Morning practice for Country Western Dance Team can start no earlier than two hours before school and cannot exceed the eight-hour rule during the school week, regardless of start time.
- All practices should be held to a maximum of 2 ½ hours work time.
- No more than two practices per day, including class time, are permitted.
- There will be no Sunday practices.

- A maximum total of twenty hours per week participation in contests and/or practices, including Saturday, will be permitted.
- All required practices will be supervised by the director or an authorized adult designated by the director. At no time may team members be left unsupervised during a scheduled practice.

PERFORMANCES

- The dance team director, in cooperation with the principal, will determine the minimum number of team members for a performance.
- Dance team members may not perform at any activity unless the director or an appropriate school official is designated to oversee the activity.
- Any member who is absent from a performance for any reason other than personal illness, religious holiday and/or a death in the immediate family, or without prior approval of the director at least two weeks in advance, is subject to penalty under the school's constitution.

TRANSPORTATION

The school district will not provide transportation for dance team members for performances, practices, or special events.

ATTENDANCE

Absences and tardiness will be handled consistently with school policy. However, subject to principal approval, the director reserves the right to remove the member from the program for excessive absences and tardiness.

MAINTAINING ELIGIBILITY

Failure to obtain the required number of credits will result in automatic dismissal from the team.

RISD COUNTRY AND WESTERN PERFORMANCE DANCE TEAMS GUIDELINES

GRADES

Dance team members must maintain a minimum grade average of 70 in all classes.*

*EXCEPTION: Students who are enrolled in current year TEA/UIL Advanced Courses identified for No-Pass, No-Play Exemption, including Pre-AP or AP courses, and make a grade below 70 in any of these classes are exempt from this eligibility ruling (see counselor).

INDIVIDUAL AND CIVIC RESPONSIBILITY

All students must maintain an Individual and Civic Responsibility grade average of 90 for the previous six-weeks grading period. Individual and Civic Responsibility grades in all courses will be averaged together (A = 95, B = 85, C = 75, and F = 65).

If a member fails to meet the criteria listed above, please see "Probation" under "Conduct and Probationary Procedures" for more details.

OTHER REQUIREMENTS

Dance team members must enroll in a fall semester dance team course offered during the school day for which physical education or fine arts credit is granted; however, the course enrollment obligation lasts the entire school year. Students must meet performance requirements as listed in page 5 under (Performances).

CONTINUOUS MEMBERSHIP

Each dance team member is assured of a position only if he/she has continuous enrollment during the school year involved. In the event that enrollment has not been continuous, reinstatement and conditions of reinstatement are at the discretion of the director and principal.

CONDUCT & PROBATIONARY PROCEDURES

Participation in dance team and other extra-curricular activities is a privilege. Certain standards are necessary to maintain the integrity and reputation of any organization. Dance team is a stand-alone extra curricular activity. The dance team guidelines are unique to team members.

Members represent the school and the district at all times. Each member must conduct him or her self in an exemplary manner at all times, whether during school, at a performance, or during leisure and social activities. The behavior, character, and personal appearance of each member should set a positive example for others at all times. Members should never be seen smoking, drinking alcohol, using any kind of illegal drug or other illegal substance, or engaging in any unlawful or prohibited activity. A team member, who fails to follow these guidelines, or the guidelines in his or her school's constitution, is subject to immediate disciplinary action including removal from the team. Please refer to the *RISD District-Wide Guidelines for Extracurricular Students: Alcohol & Illegal Drugs* for a detailed description of the consequences for alcohol & illegal drug activities.

Violations of the RISD Student Code of Conduct resulting in an assignment to in-school suspension (ISS) will result in a probationary period. Violations of the RISD Student Code of Conduct (categories II or III) resulting in a District Alternative Education Program placement (Christa McAuliffe Learning Center) or expulsion will result in removal from the team.

PROBATION / REMOVAL

When not specified, the principal and the director will determine the conditions of the probationary period (see school constitution).

Prior to a dance team member being placed on probation or removed from the team, he or she will be notified in writing in a timely manner of the reasons for the action. A conference with the principal and director will be offered to the parent and the student. The student will be given the opportunity to present his or her version of the events. A student or parent who is not satisfied with the outcome of the conference may contact Student Services to obtain information about any applicable grievance procedure.

Dance team members will be immediately removed from the team for the following:

- Receiving an MIP (Minor in Possession) or Consumption of Alcohol by a Minor at a non-school function

RISD COUNTRY AND WESTERN PERFORMANCE DANCE TEAMS GUIDELINES

- Seen smoking or drinking by a faculty or staff member on or off school property
- Discovered engaging in sexual acts by a faculty or staff member on or off school property
- Any arrest for illegal activity or substance on or off school property
- Performing or participating as a dance team while under the influence of alcohol or other drugs
- Inappropriate pictures on the internet.
- A dance team member will be removed from the team upon receiving a second probation.

ACADEMIC PROBATION

A dance team member whose recorded six-weeks grade average in any course* is below 70 shall be given a seven-day grace period before being placed on probation (see example below). If a student's average is elevated to 70 or above during the grace period, the student will not be placed on probation. Refer to the UIL / RISD Eligibility Calendar.

The grade average of a student given academic probation shall be reviewed two weeks following the date on which the probation began (the third week of the six weeks period). If the student is passing all courses* with a minimum grade of 70 on the last class day of the third week of the six-weeks period, the student may be reinstated effective at the end of the regular school day seven calendar days later.

*EXCEPTION: Students who are enrolled in current year TEA/UIL Advanced Courses identified for No-Pass, No-Play Exemption, including Pre-AP or AP courses, and make a grade below 70 in any of these classes are exempt from this eligibility ruling (see counselor).

INDIVIDUAL AND CIVIC RESPONSIBILITY

Individual and Civic Responsibility grades in all courses will be averaged together (A = 95, B = 85, C = 75, and F = 65). A dance team member whose recorded Individual and Civic Responsibility average is below 90, shall be given a seven-day grace period before being placed on probation (see example below). If a student's average is elevated

to 90 or above during the grace period, the student will not be placed on probation.

The Individual and Civic Responsibility average of a student given academic probation shall be reviewed two weeks following the date on which the probation began (the third week of the six weeks). If the student has an average of 90 in Individual and Civic Responsibility on the last class day of the third week of the six-week school period, the student may be reinstated effective at the end of the regular school day seven calendar days later.

CONDITIONS OF ACADEMIC PROBATION

- A dance team member who is on probation for academic reasons will not be allowed to participate in any dance team performance during the probationary period.
- A dance team member who is on academic probation who attends a performance must sit with the director until the dance team is released or otherwise dismissed by the director.
- A dance team member who is on academic probation will not be allowed to wear the uniform to school the day of the activity or to an activity.
- During probation, the dance team member must attend class, work periods and all practices as scheduled.

DROPPING A COURSE

A dance team member who drops a course with a grade lower than 70 after the end of the fourth week into the course or at the end of a six-weeks grading period will be considered as having received a failing grade for eligibility purposes, thus causing the student to lose eligibility for the next six-weeks period.

Dropping an advanced course, which is exempted for No-Pass, No-Play does not cause loss of eligibility unless full-time enrollment status is affected. RISD policy requires secondary students to carry five state and local credit-bearing courses to maintain full-time status.

RISD COUNTRY AND WESTERN PERFORMANCE DANCE TEAMS GUIDELINES

DISCIPLINARY VIOLATIONS

A dance team member will be placed on probation for violations of school and/or dance team constitution policies and procedures.

CONDITIONS OF DISCIPLINARY PROBATION

- A dance team member who is on disciplinary probation is required to attend the performance and must sit with the director until the dance team is released.
- A dance team member who is on disciplinary probation will not be allowed to wear the uniform to school the day of the activity or to an activity.
- During probation, the dance team member must attend class, work periods and all practices as scheduled.

REMOVAL

- A dance team member who receives a second failing grade in any subsequent six-week period will be removed from the team.
- A dance team member will be removed from the team upon receiving a second probation.
- A dance team member who is removed from the team may tryout the following year if he/she meets all eligibility requirements.

OPTIONAL EXPENDITURES

Expenses for trips, pictures, summer camp, and social events are considered optional, as students are not required to participate.

Funds may be used to pay for a recognition banquet for members, team uniform shirts, and to assist team members and/or the team to purchase additional items necessary for special events. Policy References: FJ (Local) and GKB (Legal) RE: Fund-raising Activities.

AWARDS AND GIFTS

- Team awards will be determined by the director and approved by the principal.
- If a student chooses to give gifts to other students or district employees, those gifts should only be an expression of appreciation, rather than a gift of significant monetary value. Expenditures by each student for gifts shall not exceed \$25 per year (all gifts).

UNIFORMS

RISD COUNTRY AND WESTERN PERFORMANCE DANCE TEAMS GUIDELINES

RISD District-Wide Guidelines for Extracurricular Students: Alcohol & Illegal Drugs

RISD expects that all students, including students who participate in any Extracurricular Activities (Extracurricular Students) will conduct themselves at all times in an exemplary manner that brings honor to the District, their school, and themselves. Participation in extracurricular activities is a privilege and is conditioned on the student's compliance with all rules and regulations of the activity and District policies and guidelines, including these guidelines. The use, possession, sale, or furnishing to others of alcohol or drugs of any kind is strictly prohibited (the Prohibition). Any student who violates the Prohibition is not in compliance with the rules of participation and will be subject to disciplinary measures, which could result in removal from the extracurricular activities in which the student participates.

These guidelines and statement of consequences apply to all extracurricular activities sponsored by the Richardson Independent School District and to all Extracurricular Students. The purpose of these guidelines is to deter and eliminate any use, possession, sale, or the furnishing to others of alcohol or other drugs, help students avoid drug and alcohol use, establish consistency in consequences across all activities for students who do not comply with the Prohibition, promote a high quality educational experience in all activities and assist RISD to maintain order and a safe learning environment, and to promote a high level of civic and individual responsibility among students.

Extracurricular students are subject to these guidelines at all times throughout the twelve month calendar year, whether the extracurricular activity is "in season" or inactive and on weekends and during school holidays. Refer also to Board Policy FO (Local).

Notwithstanding these guidelines, violations of the RISD Student Code of Conduct (categories II or III) resulting in a Disciplinary Alternative Education Program placement (Christa McAuliffe Learning Center) will result in removal from all extracurricular participation for the remainder of the school year.

To ensure consistency among activities, these guidelines shall be used by all extracurricular groups. However, nothing in these guidelines prohibits an extracurricular activity sponsor from developing activity guidelines and rules to address topics other than alcohol or illegal drug activities.

The following definitions will apply to these guidelines:

- Leadership Position- a position or office an Extracurricular Student holds in an organization or group either by election or appointment. Such positions may include without limitation: captain, officer, squad leader, drum major, section chair.
- Parent- A student's biological or adoptive parent or parents, legal guardian, or other person in lawful control of the student.
- Prescription Drugs- A drug authorized by a licensed physician specifically for that student. A student who uses a prescription drug in a manner prescribed by the student's physician and who has followed school policies in such use shall not be considered to have violated this policy.
- Possession- To have an item in or on ones personal being or property, including without limitation, clothing, purse, backpack, private vehicle used for transportation to or from school or school-related events, or other property used by the student such as a desk, locker, or cubby-hole.

RISD COUNTRY AND WESTERN PERFORMANCE DANCE TEAMS GUIDELINES

- Use (Substance) - Voluntarily introducing into one's body, by any means, a prohibited substance, recently enough that it is detectable by observation of the students physical appearance, actions, breath, speech, or by substance testing.
- Extracurricular Activities- School sponsored activities including but not limited to Dance & Drill Teams, Bell Guards, Cheerleaders, Spirit Groups, Sports, Fine Arts, Clubs, UIL governed Activities, Mock Trial, AC DEC, and other school sponsored student activities unique to a campus.

An Extracurricular Student violates the Prohibition if he or she:

- Receives an MIP (Minor in Possession), MIC (Consumption of Alcohol by a Minor), DWI (Driving While Intoxicated), DUI (Driving Under the Influence of an Illegal Substance), or other citation for the illegal use or possession of alcohol/drugs, or furnishing alcohol/drugs to another in a non-school setting;
- Is observed by a faculty or staff member using, possessing, or furnishing to another student any drugs, including alcohol, on or off school property (observation via internet site, video, still picture, or other media will be considered);
- Receives any citation for or is arrested for illegal alcohol/drug activity or substance on or off school property;
- Performs or participates in an extracurricular activity while under the influence of alcohol or other drugs.

An Extracurricular Student who receives an MIP, MIC, DUI, DWI, or other alcohol/drug citation shall promptly notify the activity sponsor. An Extracurricular Student who fails to do so may be subject to further disciplinary action once the activity sponsor or administrator learns of the offense. The consequences for violation of the Prohibition apply regardless of the disposition of any citation the student may receive.

Process: When an activity sponsor or campus administrator learns that an Extracurricular Student has violated the Prohibition, the sponsor or administrator will attempt to gather as much information as is available about the suspected violation and shall immediately communicate with the student and his/her parent to review the information. The sponsor or administrator will take reasonable steps to ensure the student and his/her parents are notified of the suspected violation of the Prohibition and to offer the student and his/her parent a meeting with the administrator and/or sponsor and give them an opportunity to provide information about the student's suspected actions. Parents and/or students who refuse to promptly meet with the sponsor or administrator forfeit their opportunity for a conference. The administrator or sponsor will notify the student and his/her parent in writing of the reasons for any consequences imposed.

A student or parent who is not satisfied with the outcome of the conference or the principal's decision may appeal the decision through the District's Student and Parent Complaint Policy (FNG (Local)), but the consequence will not be delayed during any appeal. Copies of the policy are available on the District's website or may be obtained from the school.

PROBATION: Last Chance Opportunity

All Extracurricular Students are expected to comply with these guidelines. An Extracurricular Student who does not do so is subject to disciplinary action. While some offenses may be so severe that they will result in immediate removal from the extracurricular activity, where appropriate, the District will consider allowing a student who violates the Prohibition to serve a last chance probationary period if the violation of the Prohibition is the first instance of the student's failure to comply with these guidelines.

RISD COUNTRY AND WESTERN PERFORMANCE DANCE TEAMS GUIDELINES

Probation: A student's first violation of the Prohibition will result in the Extracurricular Student's (i) removal for the remainder of the school year from all leadership positions he or she holds, including any such positions that the student might seek or be appointed to later in the school year; and (ii) removal from all extracurricular activities for 20 school days or UIL Competition dates. (see below*)

- The 20 school days or UIL Competition dates removal period start at the parent /student / principal conference. If the parent/student forfeits the conference, the principal will determine the start date;
- During the 20-day removal period, the student and the parent must attend and successfully complete the RISD alcohol / drug educational program. Students may be required to have follow-up sessions with the Intervention Specialist on campus. The student is responsible for all fees associated with the program. A student/parent must complete the educational program before the student will be reinstated after the removal period.
- Students may participate in practices for the extracurricular activities while on probation.
- *If an activity schedules competition or performance during the summer or on a school holiday (excluding weekends), any days on which the student's team or group actually competes or performs will be counted toward completion of the 20-day probation period.
- "UIL Competition Date" means a day on which the individual or group actually competes or performs in a UIL or Non-UIL sponsored activity when the school is represented.

An Extracurricular Student can receive only **one** probation period for violating the

Prohibition during the students' 9-12 high school career.

Second Offense or Subsequent Offenses

A second offense or subsequent offenses will result in removal from all extracurricular activities for the remainder of the school year. Students will also be removed from all leadership positions for the remainder of the school year.

- If the infraction occurs and/or is discovered 60 or less days prior to the end of the school year, the student will be removed from all extracurricular activities and leadership positions for at least 60 school days or UIL Competition dates. The removal days may extend into the next school year.
- When a second or subsequent infraction occurs after the end of the school year, the consequence will go into effect at the parent or legal guardian /student/principal conference. The student will be removed from all extracurricular activities for the entire up-coming school year.
- If the parent or legal guardian /student forfeit the conference, the principal will determine the start date.
- During a period of removal, an Extracurricular Student may not wear his / her uniform, travel with the team or organization, or otherwise act as a representative of the team or organization.

An Extracurricular Student is eligible to participate in extracurricular activities and to pursue future leadership positions after the second offense, if:

- It is the start of the school year and the student has "sat out" of all extracurricular activities for no less than 60 school days or UIL Competition days.
