

**HONOR YOUR CHILD’S TEACHER WITH THE
CHANGING CHILDREN’S LIVES AWARD**
Benefitting the RISD Partners Fund

When you think back on the years you spent in school, do you have fond memories of favorite teachers or coaches? Or perhaps there is a particular teacher on your child or grandchild’s campus who goes the extra mile almost every day? If someone special comes to mind, Richardson ISD has an easy and impactful way to recognize them this holiday season.

You may make a gift to the RISD Partners Fund “Changing Children’s Lives” campaign, through the **Excellence in Education Foundation**, as a way of sharing your appreciation for the exceptional educators in your life. The district will send a letter, via the campus principal, to your honoree sharing your personal words of appreciation.

Contributions like yours help to continue to bridge the gaps between unmet and additional needs among students and campuses throughout the district. Gifts are tax-deductible and directly support integral RISD programs that benefit our students, teachers, classrooms and schools.

Take a moment this holiday season to honor your favorite RISD educator - one whose work is changing children’s lives. Your gift will help ensure that their invaluable work is rewarded and endures. To submit your award online, donate [here](#) and then email the form below to **mary.worthington@risd.org**. Please make checks payable to Excellence in Education Foundation, RISD Partners Fund, ATTN Mary Worthington, 400 S. Greenville Avenue, Richardson, TX 75081
